IV. Scope of Services

Scope of services include organizing and meeting with business groups and other agencies such as the Chamber of Commerce to obtain information on needs and other items in order to promote business development. Through the means of deploying an alternative transportation choice this will supplement the existing NJ Transit system and provide a mode of traveling that will accommodate more riders in an expeditious manner. The Shuttle service will operate during the hours where travelers can arrive to the City and throughout the City in greater numbers. In addition, the service will allow access from center City to other business districts within the City and the beachfront areas. The service will operate Monday through Friday, start at 6:56 AM to 9:58 AM, break in the middle of the day, then start again leaving the train station at 3:25 PM and end the day arriving at the train station at 8:11 PM. The shuttle will depart the Third Avenue Terminus approximately every 30 minutes and go to Monmouth University, traverse east on Cedar Avenue stopping at Woodgate Avenue, on to Brighton and Second Avenue, then to Pier Village with a final stop at Third and Broadway, then back to the train station. The staff of the UEZ will use mailings, email communications, cable television, publications, special events, articles, signs, ads and other methods to market the UEZ Shuttle Program and to highlight the benefits of the same. The staff will accumulate statistics and conduct surveys to obtain first-hand information about the Shuttle Service business operations, their successes and failures and resolve to improve on the conduct of business for a more productive business environment.

Explanation of Appropriations for "Other Expenses"

The amounts appropriated under the title of "Other Expenses" are for operating costs other than "Salaries & Wages"

Some of the items included in "Other Expenses" are:

Materials, supplies and non-bondable equipment;

Repairs and maintenance of buildings, equipment, roads, etc.,

Contractual services for garbage and trash removal, fire hydrant service, aid to volunteer fire companies, etc.;

Printing and advertising, utility services, Insurance and many other items essential to the services rendered by municipal government.

N.J.S.A. 40A:4-45.1 et. seq. "The Local Government Cap Law" places limits on municipal expenditures. Commonly referred to as the "1977 CAPS", it is actually calculated by a method established by the law.

In general the actual calculation works as follows:
Starting with the figure in the prior years budget (2010) for the Total General Appropriations (1) certain prior year budget figures are subtracted, including "Other expenses, Interlocal Service agreements, Capital Improvements, Municipal Debt Service, Public and Private Projects (grants) Deferred Charges and the Reserve for Uncollected Taxes (2), this resulting figure is then the base on which the 2.0% CAP is applied and results in the base amount that the current budget may be increase over last years CAP (3)

Additionally the Statute allows for certain add-ons to the CAP such as:

Amounts that have been "Banked" in prior years (this is prior years "CAP" that has not been utilized) (4)

The amount of New Local Municipal Tax to be generated by increased Assessed Value attributable to New Construction (5)

And finally, the adoption of an ordinance that allows the Local Municipality to increase its CAP to a maximum of 3.5% (or 2.0% above the 1.5% allowed above) (6)

The above calculations arrive at the bottom line CAP limitation placed on the City which may not be Exceeded (7)

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

☐ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

☐ 3 years. (Population under 10,000)

☒ 6 years. (Over 10,000 and all county governments)

☐ ____ years. (Exceeding minimum time period)

☐ Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.
