

Long Branch Green Business Recognition Program Application

The **Long Branch Green Business Recognition Program** seeks to highlight and promote local businesses and non-profits that are committed to environmental stewardship and use sustainable practices in their daily operations. Benefits of participating:

Promotional Support

- *Your business will be featured on Long Branch's Green Business Registry web page and will be promoted through the city's social media*
- *You will receive a certificate and medallion to display in your business, along with a digital GBR recognition logo image for your online use*

Education and Networking Support

- *Assistance with free professional energy audits and business-specific recycling and waste reduction coaching*
- *Invitations to exclusive networking, idea-sharing events with other Long Branch Green Businesses*
- *Assistance with applying for the New Jersey Sustainable Business Registry (NJSBR)*
NOTE: Any business already registered and certified with the statewide NJ Sustainable Business Registry will automatically be certified as a Long Branch Green Business – please note this on your application

To Apply:

- *Complete this form and email to: longbranchgreenteam@gmail.com or drop off at the Information Desk in City Hall addressed to the attention of Richard Thompson*
- *A member of the Green Team will contact you to review your application and may also ask to visit your business to learn more about your Green Practices*
- *At least **five** sustainable actions are required for certification*
- *Applications can be submitted at any time and will be reviewed on a rolling basis*
- *Certification will be valid for two years from date of approval*
